

**Welcome to  
Northburn  
Primary  
School**

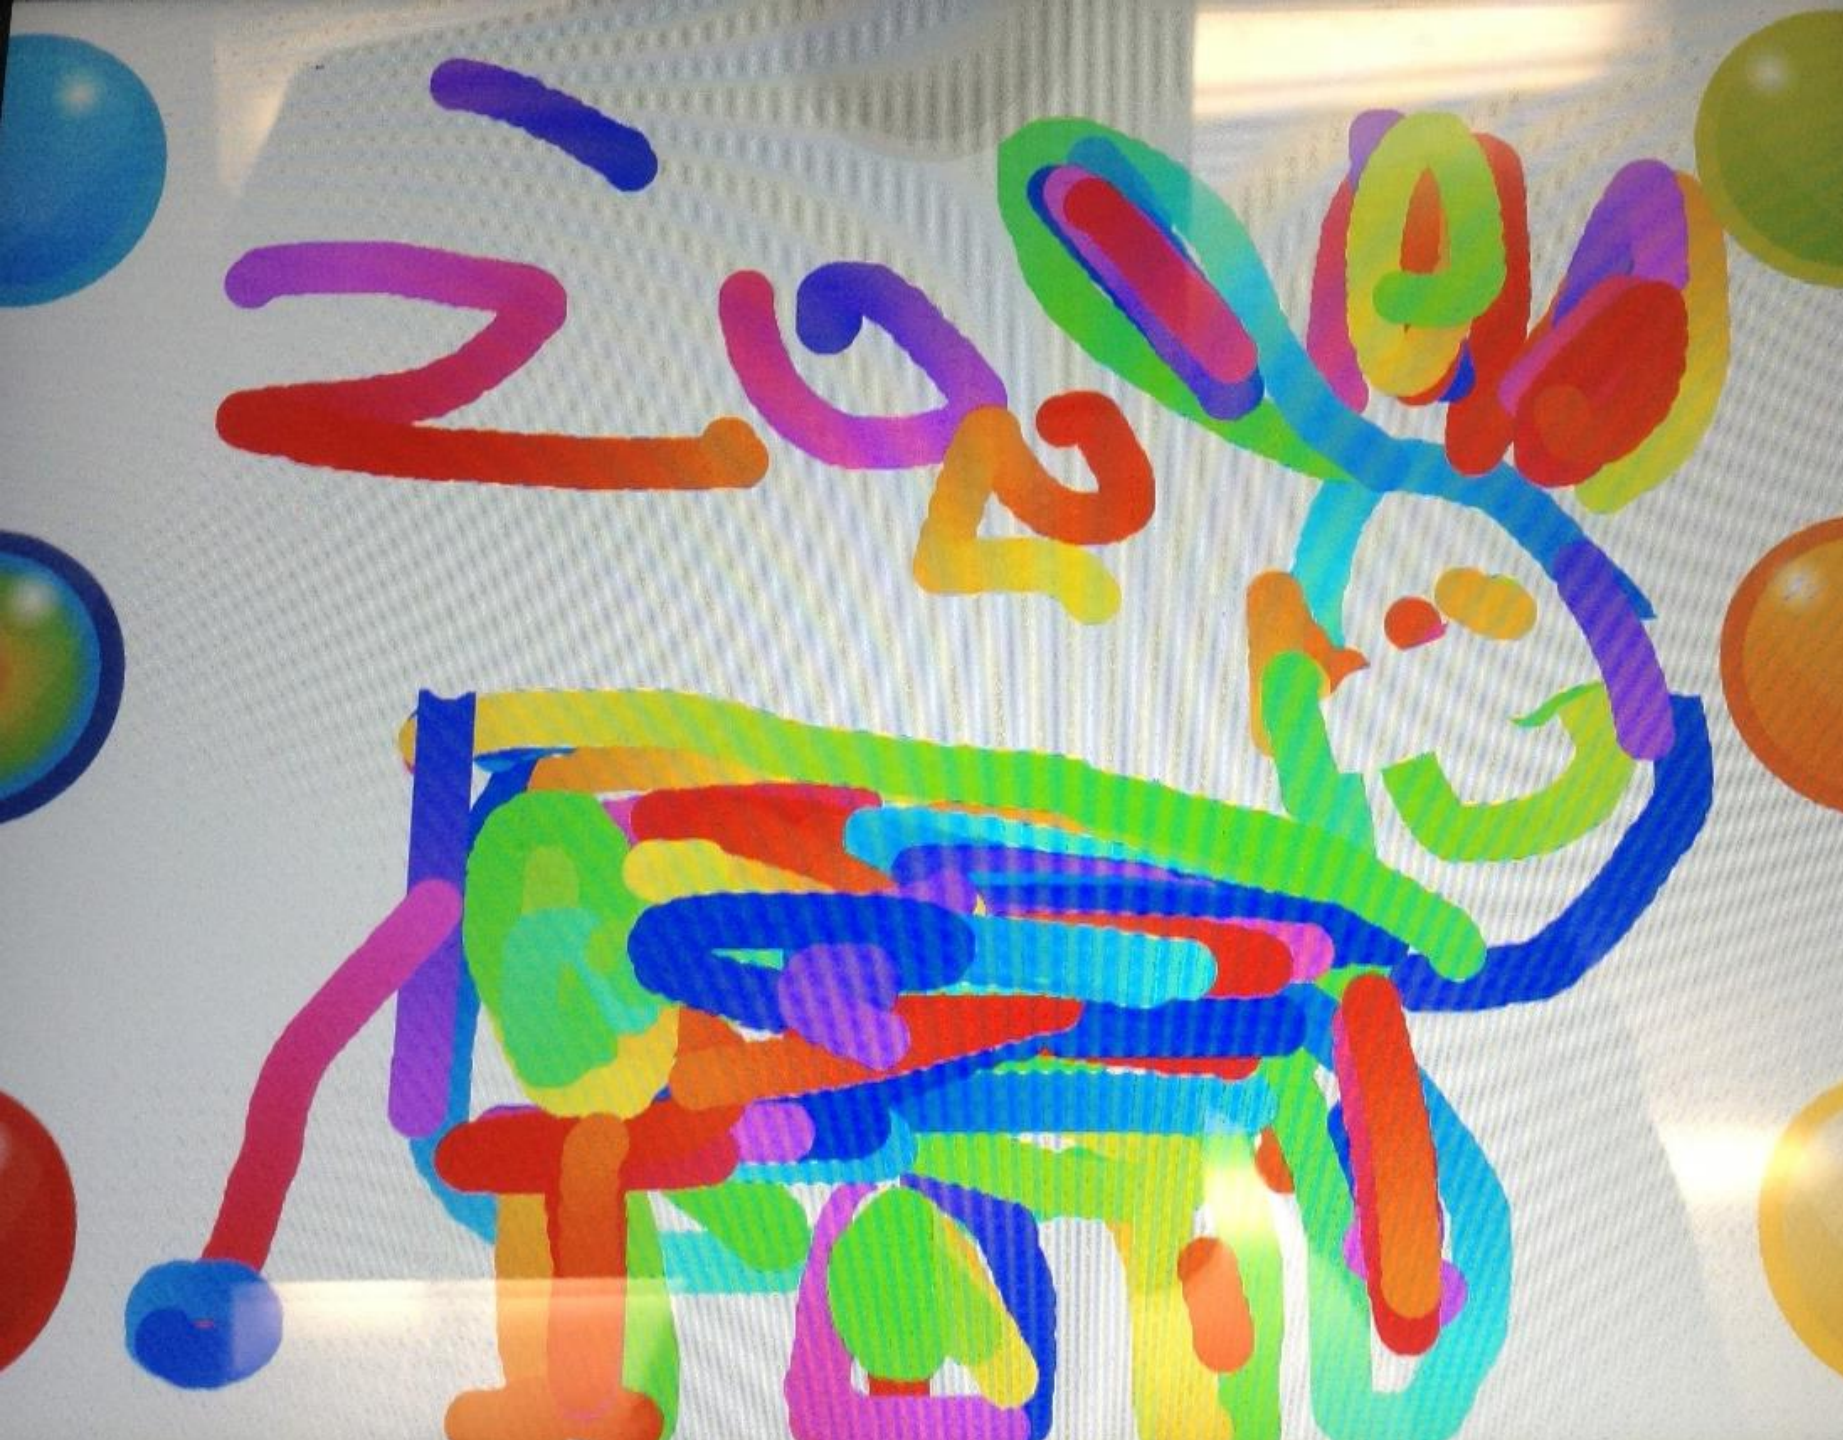

A child with blonde hair in a blue jacket is seen from behind, holding a tablet and looking at a pink flower on the screen. The child is in a garden-like setting with various plants and pinecones on the ground. The text 'Observing nature in our school grounds' is overlaid in yellow on the left side of the image.

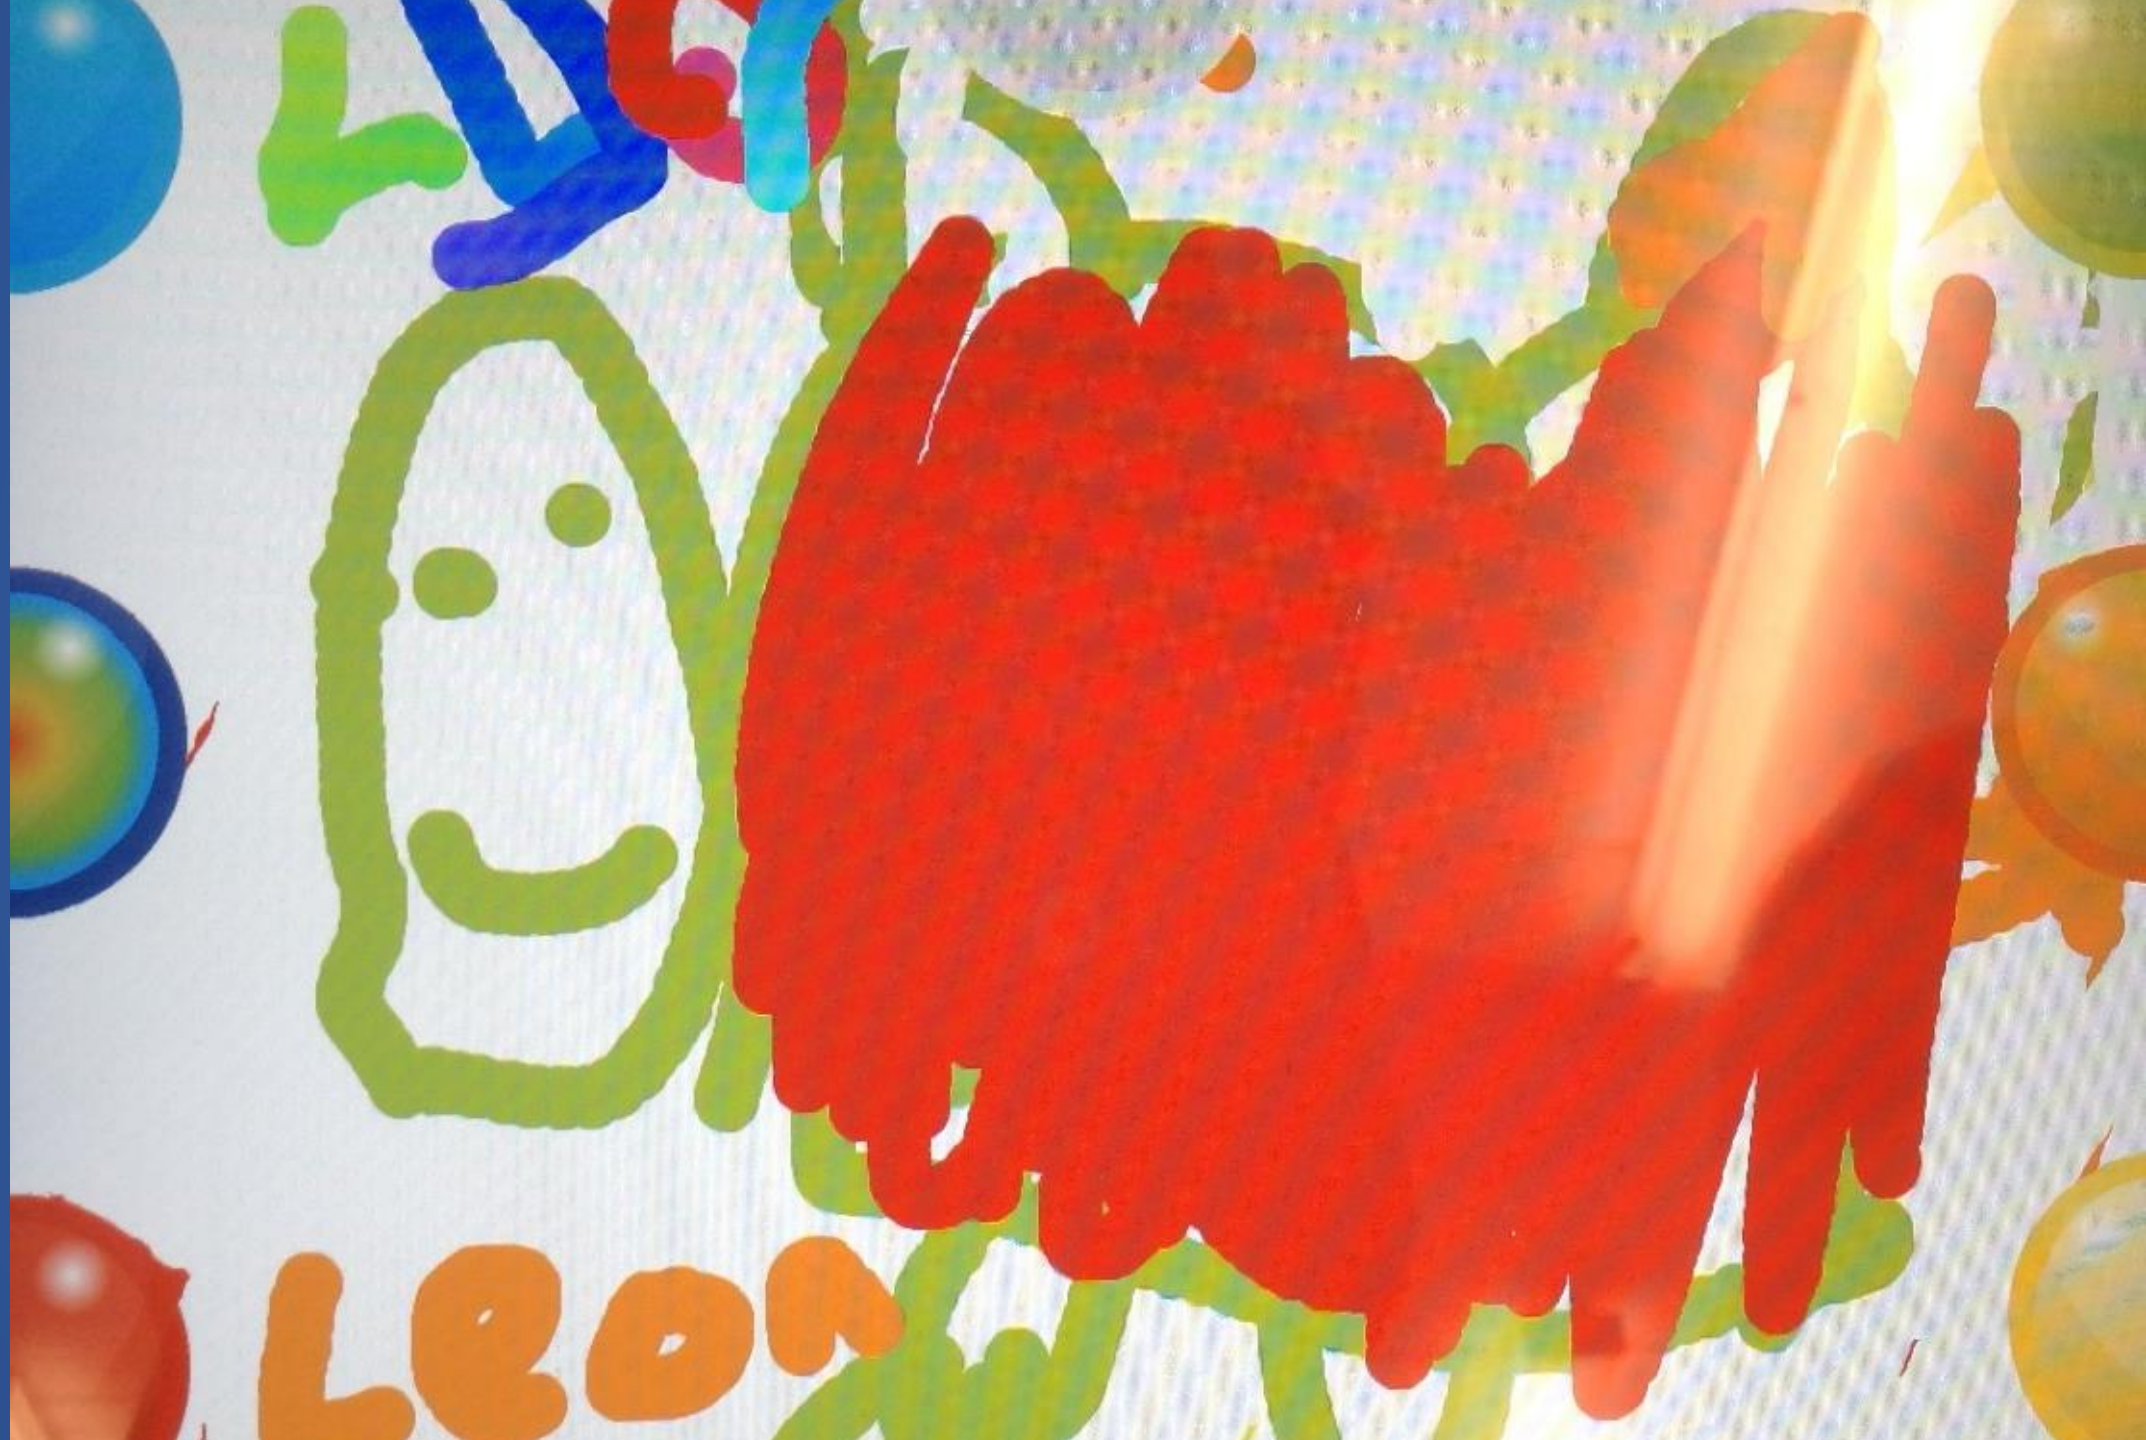

**Observing nature  
in our school  
grounds**

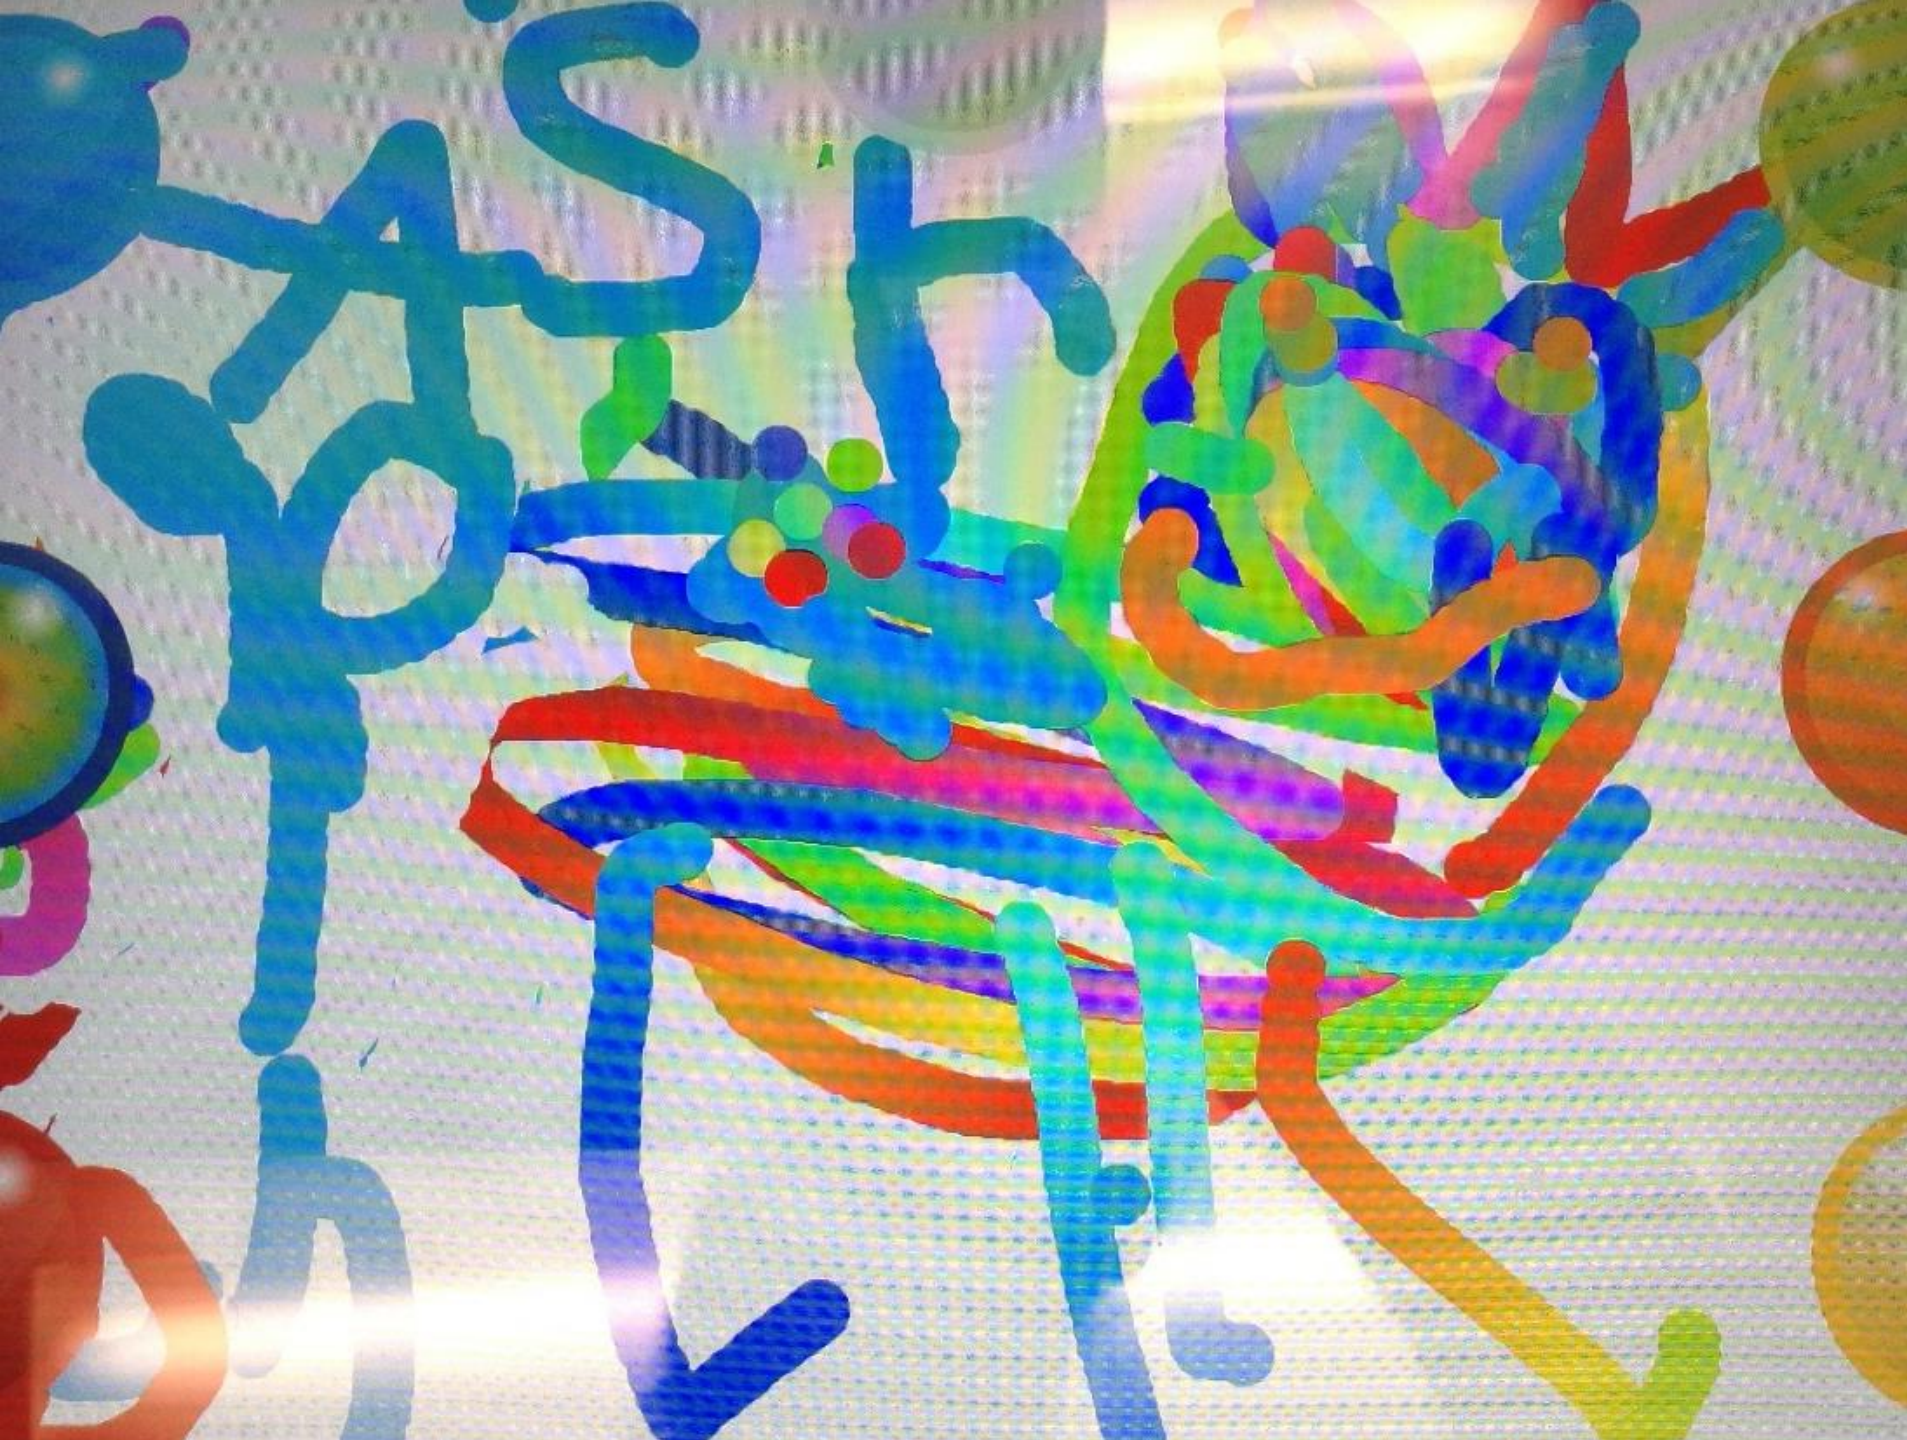

**Digital  
art in  
reception**

**Spotty art and  
magical maths.**

**Learning to play the steel pans.**

Start at the top and go all the way around.

Start at the top and go down.

Start on the left.

We are exploring ways to make marks.

Learning Objective:  
Distinguishes between the different marks they make.  
Shows control in holding mark making tools.
