

# World Book Day Thursday 4th March

Dear Parents/Children

In order to celebrate World Book Day in lockdown we would love it if you would have a go at this activity\* or any others you can find on this website and tweet us or send us your pictures on Purple Mash via email or Tapestry!

### **\*Get creative and make your favourite book characters**

For a fun, creative and cheap activity, why not transform a potato or wooden spoon into your favourite book character? Looking for a magical way to reuse a shoebox or jam jar? Try making a Harry Potter scene in a box or A Very Hungry Caterpillar in a jar!

Thank you and have fun.
