

**AUDITIONS SONGS: Choose one or the other. If wanting to audition for MP, select 'Practically Perfect'**

## **Let's Go Fly A Kite lyrics**

Mr. Banks:

With tuppence for paper and strings  
You can have your own set of wings  
With your feet on the ground  
You're a bird in a flight  
With your fist holding tight  
To the string of your kite

Oh, oh, oh!  
Let's go fly a kite  
Up to the highest height!  
Let's go fly a kite and send it soaring  
Up through the atmosphere  
Up where the air is clear  
Oh, let's go fly a kite!

Please note that words etc are from

**Mary Poppins Jr,** not Mary Poppins and therefore is not exactly the same.

See Youtube for music.

## **Practically Perfect ( Mary, Jane and Michael- underlined words are spoken.)**

MARY POPPINS: I'm practically perfect in every way

JANE: Practically perfect?

MP: So people say.

Each virtue virtually knows no bound each trait is great and patiently sound

I'm practically perfect from head to toe

If I had a fault it would never dare to show

I'm so practically perfect in every way

MP: Now perhaps you have a few questions.

M: Not temperamental?

MP: Never.

M: Not grouchy or gruff?

MP: The very thought

J: Will you stay tender when the going gets tough?

MP: Quite the contrary.

M: Do you read stories without a big fuss?

MP: Mm-hmmm.

J: Or have objections to playing with us?

MP: Some minor improvements may not be amiss

But at all times remember this

I like games but I choose them.

J: That's not fair!

M: I didn't say I was fair, I said I was

Practically perfect and here's my aim

By the time I leave here you both will be the same

You'll be practically perfect.

JM: Practically perfect

MP: You'll be practically perfect.

JM: We'll be practically perfect in every way

## **AUDITIONS**

These will take place during the first two rehearsals on Thursday, September 6<sup>th</sup> and 13<sup>th</sup>. You will need to be ready for either, dependent upon time.

If you lose the sheets, look on your email or on the website. See 'Clubs' section.
