Drop off and collection

Please wait next to the nursery fence and a staff member will welcome your little one here. Sadly parents are unable to come into the building due to our restrictions. A staff member will support the transition into class so please try not to worry.

Library

The children are encouraged to bring their blue folder every Friday. The staff will change their library book and talk about the story they have enjoyed at home. We encourage the children to share their chosen book at home with a grown up.

Snack

We will provide water, milk and fruit during each session. There is no need to bring a water bottle unless you have school dinners. Please inform us of any allergies.

Toys

Please keep toys at home, they can easily become lost or broken.

Clothing

Wellies can be left in school alongside a small bag with a change of clothes.

Keeping you informed

We use Tapestry to keep you updated on your child's progress, work and experiences. Staff are also available at the end of each session.

We look forward to seeing you in September.

Mrs Farrier and Mrs Joisce
