- Children will have packed lunches in a hard box that can be wiped /or plastic bag. They will keep their lunch under their assigned desk.

Sport and physical education

- Only activities whose national governing bodies have developed guidance that has been approved by the government are undertaken.
- Inter-school activities are suspended.
- Outdoor sports should be prioritised where possible, and large indoor spaces used where it is not.
- Equipment thoroughly cleaned between each use by different individual groups.
- Activity venues reviewed and outdoor sports are prioritised where possible, and large indoor spaces used where it is not.
- Ventilation is maximised in accordance with the arrangements stated above.
- Work with external coaches, clubs and organisations will be subject to specific risk assessment to confirm that arrangements are safe and appropriate.
- Extra-curricular activities (i.e. before and after school clubs) are reviewed and only proceed where; a) it is necessary to support parents with work related activity, training/education or for the purpose of provision of respite care, and

PE activities are carried out in line with local and national restrictions - refer to 'Physical Activity in Schools' section of [Schools: coronavirus operational guidance](#) (which signposts to all relevant other publications).

Schools consult government approved list of activities available at: [return to recreational team sport framework](#). From 29 March, outdoor competition between different schools can take place. Indoor competition between different schools can take place from 12 April.

Item	Nature of change	Date of Update
Amendments made From NCC- response to increased restrictions	The main changes to the risk assessment relate to the arrangements for clinically extremely vulnerable (CEV) staff and pupils attending school. Under the current national restrictions, the government have strongly advised all CEV staff to work from home until 2 December 2020. In schools where NCC is the employer, it has been confirmed by the Council's Executive Team that all NCC employed staff who are CEV must work at home during this time. Where circumstances dictate any deviation from this approach, professional advice must be sought from your HR or H&S Advisor. Pupils who are CEV should now be receiving their education at home.	20.11.20
